Previous Business:

Institutional Services items

1. **Presidential Leave** – The current MOU has been amended and signed by both parties today.

Action: Closed. Removed from the general MERC agenda.

2. **Resource Position Management (RPM) Schedule** – The employer agrees to collapsing the existing correctional officer RPM schedule into the master schedule at each institution when local Compressed Work Week Agreements (CWWA) are re-negotiated. This initiative is to be completed without loss of any funded positions.

Action: MOA to be developed to end the existing RPM MOA to reflect the commitment above.

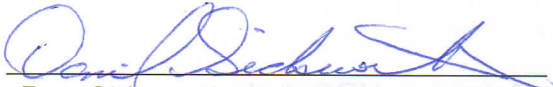

3. **Mezzanine Barriers at the Toronto South Detention Centre (TSDC)** – Once an MOA has been reached regarding the installation, design and schedule for the mezzanine barriers, the TSDC will populate the second tier of the living units. MOU 87

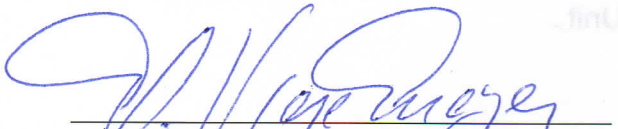

Action: The employer will provide the union with an installation schedule and proposed drawings/photos of the type of barriers being considered. An MOU will be developed to address this item.
